

Medical Examination Report

Transcript of the Videotelephony Medical Examination Report

This is the transcript of the answers provided by Life to be assured verbally to the questions asked below in a videotelephony verification by the underwriting team of Axis Max Life Insurance Co. Ltd. The answers provided by the Life to be assured would form a part of the application for insurance.

We request you to go through the transcript carefully. In case of any disagreement, you are requested to highlight the same within 15 days of the receipt of this transcript; otherwise this would be taken as acceptable to you and thereby binding on you. Please retain this transcript for future reference.
